

App usage Instructions

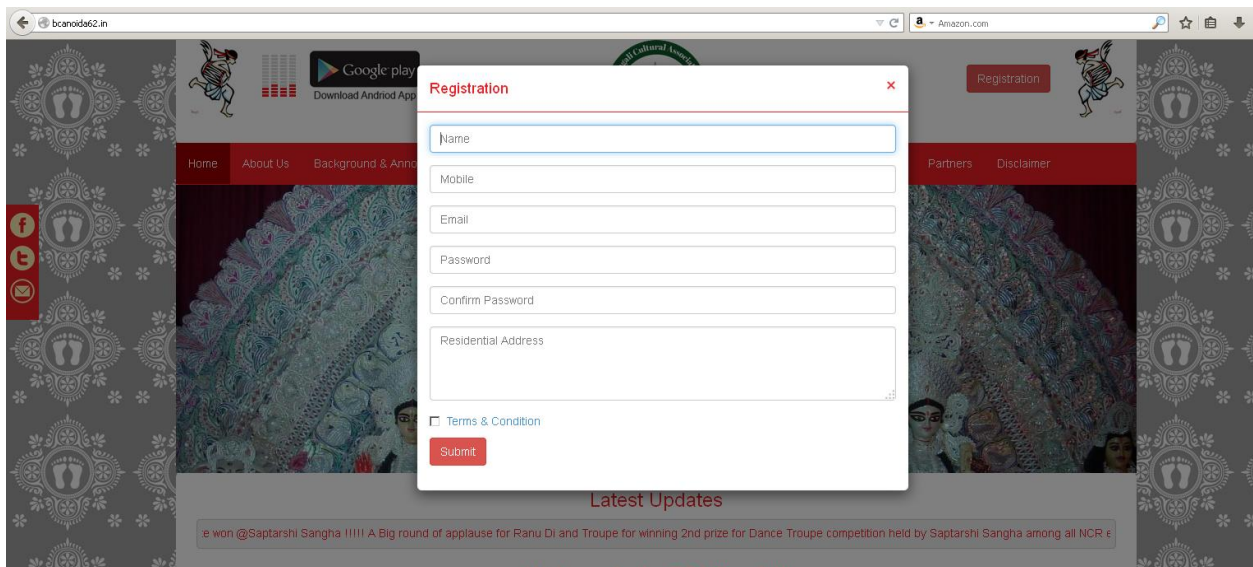

1. The App is made for the registered users of **BCANOIDA62.IN**

For new users:

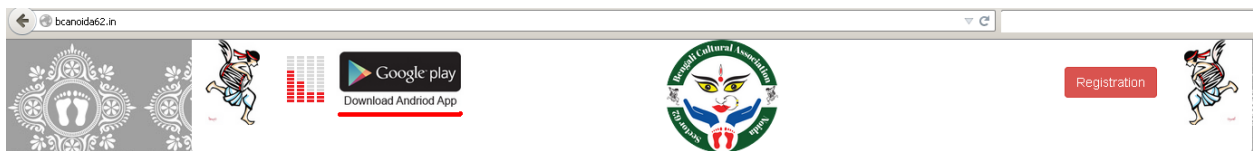

You can register from the registration link present on the top of the BCANOIDA62 website

2. Once you click on register button, you will be provided with the registration page which you need to fill and submit

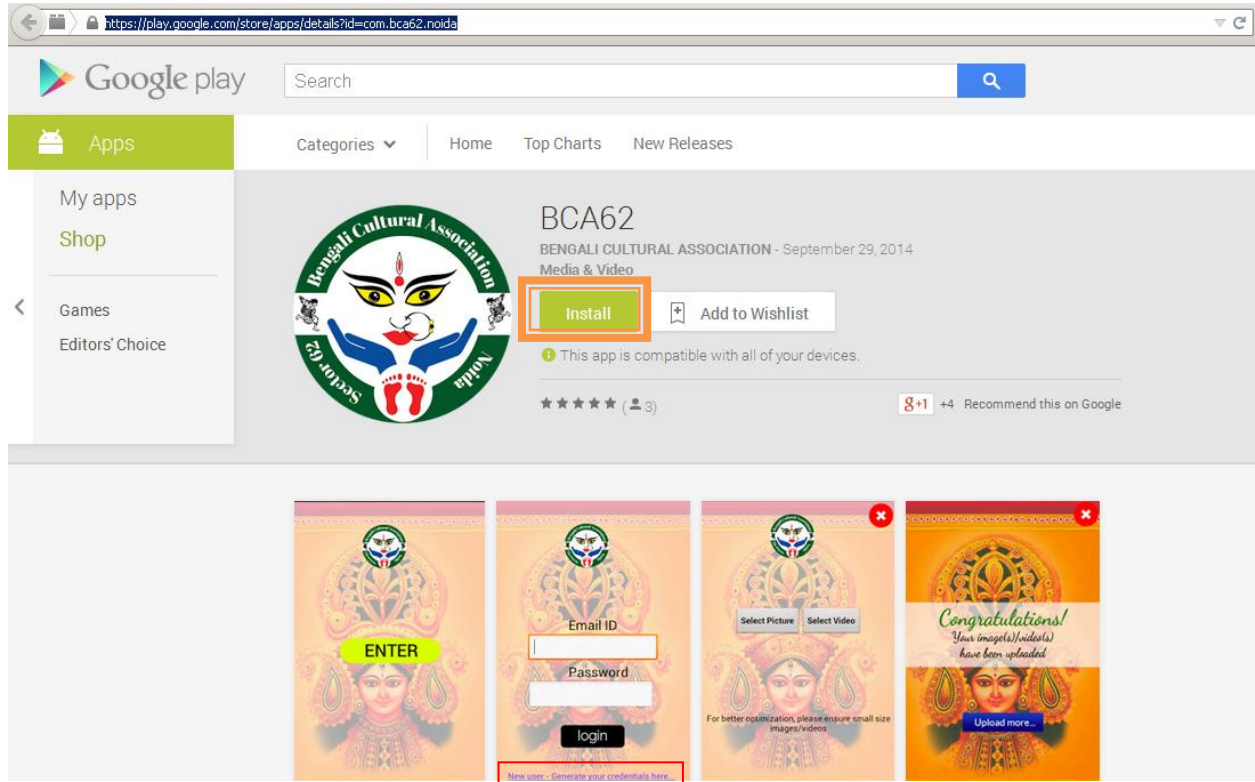

3. Once you register with this page and have email address and password handy, you can click on the Google play icon at the top of the page to navigate to the Google app store link

4. System will navigate you to the app store at the below link from where you can click on Install to download the App on your device

Google play store link: <https://play.google.com/store/apps/details?id=com.bca62.noida>

5.
 - Once you install the App and open: you will see the **Enter screen** as mentioned above
 - Clicking on which you will be asked to enter the email and password
 - On entering the email and password, you will be able to login to the App
 - Once you login, you can upload images and video from the respective buttons shown on the App screen (The images/videos will go to the administrator for his approval – for more info. contact your Administrator)
 - Once your image is uploaded, you will see a Congratulations screen

In-case you are a new user and have directly installed the APP on to your device, you can click on the link (**New user – Generate your credentials here...**) at the bottom of the Login screen (Check image 2 above) and follow the above mentioned process.

6. **Some Important Information**

- The App is designed for the registered users
- For better optimization, please upload images/videos of lesser size (prescribed size up to: 2 MB)
- The download and upload speed will depend on various factors: device infrastructure, connection, traffic etc.
