On behalf of Sarbojonin Puja Samiti, Sector-62, Noida, I take this opportunity to convey my best wishes to you and your family members.

Durga Puja, symbolizes the victory of virtue over evil. Let us on this day rise above the evils of sectarianism, intolerance and man made divides. May Goddess Durga guide us on path of right conduct and service to our brethren.

It is my privilege to welcome you all on the 13 th year of our Durga Puja celebration at a new venue ( i.e. B - Block, Sector-62). Like previous years we have made all arrangements for Puja, Pushpanjali, Arti, Prasad and Bhog distribution etc. in a systematic and organised manner. Apart from these we have arranged various cultural programmes by inhouse talents and professional artists from Kolkata and other places.

We cordially invite you to participate with family and friends to make our endeavour a grand success.

*WISHING YOU ALL SUBHO BIJOYA & A HAPPY DIWALI.*
